TEXTURE GUM

100 ml

Hold 3 Shine 0

Matt paste, gives body and volume to the hair. Apply on dry hair to create an out of bed look. Take a small amount and warm it up in the palms of your hands. Rub it through the hair in circular movements and style with fingertips. Easy to restyle.

SCULPTING CLAY

100 ml

Hold 2 Shine 1

Flexible clay paste with soft texture and mat effect. Texturizer with natural support, doesn't weigh down the hair.

Put a small amount Sculping Clay in the palms of your hands and rub it warm. Work with fingertips into dry hair to sculpt the hair style. Continue to work the Sculping Clay until it becomes invisible. You can restyle your hair during the day with this matt defining clay.

XTRA SHINE Non Aerosol
Hold 1 Shine 5

Non aerosol spray for superior shine. With UV filter. For a shiny and healthy look.

Finishing touch for your hair, convenient for any style and hair type.

Xtra Shine provides a wonderful shine without causing the hair to become greasy or heavy. Ideal in combination after using a hair spray.

300 ml

FIXING FOAM
Hold 5 Shine 1

Firm hold mousse for blow dry and setting. High concentration. Long lasting hold, brushes out easily.

Shake well before use, holding the diffuser down.

Apply on towel dried hair.

Spray the mousse in your hand palms and apply all over the hair.

300 ml

ROOT LIFTER

Hold 4 Shine 3

Mousse with fine dispenser to create volume on the hair root. To use on wet and dry hair.

Shake well before use. With the dispenser, apply on the hair roots where extra volume is needed.

300 ml

GEL SPRAY

Hold 4 Shine 2

300 ml

GEL SPRAY Non Aerosol

Hold 4 Shine 2

300 ml

Finishing spray for maximum control. Spray on dry hair at a distance of 15-20 cm. The drying time of Gel Spray allows to finger style the hair.

For maximum hold, apply a few times, allowing to dry between applications. To accentuate details, spray Gel Spray on fingertips and finger style where needed.

MODELLING GEL

Hold 3 Shine 3

200 ml

Medium to strong modelling gel for a natural shine. For short and mid-length hair. To use before and/or after styling.

Put a small amount of Modelling Gel on fingertips and rub it in the palms of your hands.

For a natural result, apply Modelling Gel all over the hair and style with fingertips.

EXTREME GEL

Hold 5 Shine 1

200 ml

Finishing gel with superfast, extreme hold. Extreme Gel has a short drying time and a long lasting hold.

Put a small amount of Extreme Gel on your fingertips and divide in the palms of your hands.

Apply all over and model the hair style with your hands. Preferably use on dry hair. You can restyle the hair with wet hands.

FINISHING CREAM

150 ml

Hold 2 Shine 5

Shine cream enriched with bees wax, with natural hold. Frizz control.

Apply a small amount Finishing Cream on fingertips and rub into the palms of your hands. For a natural result, apply all over the hair and style with your hands. Finishing Cream brings out contrast in multi tonal hair styles, the hair remains flexible, keeping its volume.

HEAT PROTECTOR

150 ml

Hold 1 Shine 4

Heat protective cream with natural hold for blow drying and use of styling irons. Protection, moisture, shine, frizz control.

Put a small amount in the palms of your hands and apply on the hair from roots till ends. Apply on towel dried hair for blow drying or on dry hair for use of styling irons.

TRILLING WAX

Hold 1 Shine 5

100 ml

Trilling paste for extreme shine, with light hold. Take a small amount and warm it up in the palms of your hands. Rub into the hair in circular movements and style with fingertips. Easy to restyle. Ideal in combination with other Rage products.

FIBER GLOSS

Hold 3 Shine 4

100 ml

Creamy gel for beautiful shine and medium hold. All the benefits from a gel and a wax in one product. Moisturizing and anti-static effect.

Put a small amount on fingertips and rub in the palms of your hand. Apply on dry hair and work it in until your desired style and maximum shine. Ideal for short and mid length hair.

STYLING MOUSSE

Hold 4 Shine 3

200 ml

VOLUMIZING MOUSSE

Hold 2 Shine 3

200 ml

Medium to firm hold mousse for blow dry and setting with anti-static effect.

Flexible and natural or firm hold.

Apply on towel dried damp hair from roots to ends.

Blow dry the hair for extra body, or let it dry naturally to accentuate curls and waves.
