KST Keratin Supreme Treatment

KERATIN SMOOTHING SHAMPOO

- Infused with keratin and argan oil.
- Paraben free.
- Gentle cleanser, nourishes and moisturises the hair.
- Rich creamy lather.
- Specially recommended for chemically treated hair.
- Frequent use.

KERATIN NOURISHING CREAM

- Rich in natural keratin.
- Contains extracts of trametes versicolor and wheat protein.
- For all hair types: frizzy, curly, damaged, coloured, bleached hair.
- Reinforces and repairs the hair.
- Reduces frizz and smoothens unruly hair.
- Makes the hair faster to dry.

Keratin Supreme Treatment

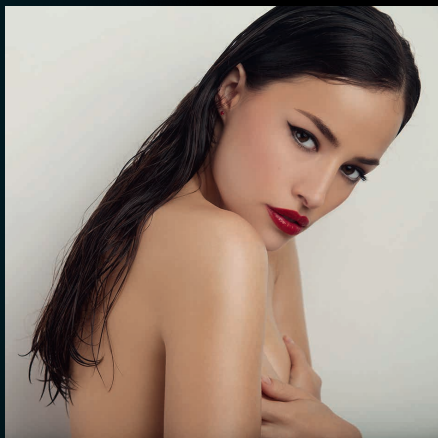

SALON USE:

Offer your client a bespoke intensive spa treatment!

1. Wash the hair with KERATIN SMOOTHING SHAMPOO to cleanse the hair. Leave a few minutes.
2. Rinse and towel dry the hair.
3. Put in a bowl 30 ml KERATIN NOURISHING CREAM.
4. Apply to the hair. Cover with plastic cap and place the client under a heat source for 15 to 20 minutes.
5. Rinse off and towel dry.
6. Style as desired (hair dryer, curly or straightening irons).

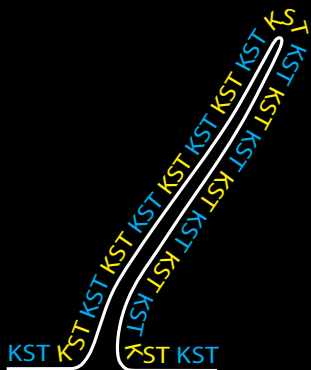

TIPS FROM THE CARIN HAIRSTYLIST:

1. First wash the hair with Color Essentials Intensive Cleaner, if the hair contains a lot of impurities like oil, silicones, hairspray, gel.
2. Add some liquid natural keratin (Color Essentials Allerga) to the KERATIN NOURISHING CREAM, to boost the treatment.
3. Advise your client about home use of KERATIN SUPREME TREATMENT, to ensure a long lasting keratin support.

HOME USE - 2 possible applications:

- A**
1. Wash the hair with KERATIN SMOOTHING SHAMPOO. Leave a few minutes and rinse.
 2. Apply 30 ml of KERATIN NOURISHING CREAM to the hair, cover with a hot towel and leave for 10 minutes.
 3. Rinse well.
 4. Style as desired.
- B**
1. Wash the hair with KERATIN SMOOTHING SHAMPOO. Leave a few minutes and rinse. Towel dry.
 2. Apply a very small amount (3 to 5 ml) of KERATIN NOURISHING CREAM and comb through.
 3. Don't rinse.
 4. Style as desired.

MAJOR INGREDIENTS:

KERATIN:

Repairs hair suffering from chemical and environmental damage.
Strengthens keratin bonds from within.

WHEAT PROTEIN:

Repairs the hair and improves smoothness.
Reduces the hair's porosity.
Adds volume.
Reduces scalp irritation.
Increases the hair's ability to retain moisture.

TRAMETES VERSICOLOR:

Medicinal mushroom with applications in health care.
Anti-inflammatory and soothing effects.
Reduces skin irritation.

ARGAN OIL:

Strengthens the hair.
Restores softness and shine to the hair.
Enriches hair with nutrients and acts as a moisturiser for the scalp.
